Could you go ahead and sign the 1900-55 signature page and then I will make a dispute that will be corrected on the next 1900-55.
thanks

Gary:

After your first comment I did some additional research. I found out that they had already finalized this 1900-55. I have convinced them to adjust Dan's time on the next 1900-55 to Response Manager.. I agree with your approach below.

Leroy:

That is interesting since he was doing a removal action for Eric Delgado as an RM during this period of time. I will dispute the charge on the 1900-55 and go forward and sign.

I did an inquiry on this prior to sending it to you. He was replacing Mike during his vacation.

Dan Oser charges are as a response manager not a program manager. Please revise.
